

Perfect Lovers

Ray Parker Jr.

You don't have to tell me
I can see it in your eyes
So it just won't do
No good for you to lie

All that time between us
Never really have and end
When i see you now
The feeling start again

We're old enough
And wise enough
Putting it all together
Making it last forever

So for one more time
Love's on the line
Doesn't get any better

There's no such thing
As perfect lovers

Tried our independence
Slept in separate beds alone

But it all comes back
To what I've always known

Everyone's got problems
That's a thing I'm certain of
But you hold on tight
And still believe in love

Oh my darling
Don't give up on us now
If we hold on
Love's gonna come
And wash away the pain we had somehow

I get into you
Girl you get into me
And we'll have fun so much fun
But wait a minute
Just 'cause we're good in bed baby
Don't mean we're perfect lovers
