

It's a time to be humble, it's a time to be free  
It's a time to raise our voices loud and not go quietly  
As this time marches on into great uncertainty  
I have music all around me bringing timeless melody

There's a tide in the water  
Where the mountains reach the sea  
And the lilac grows beyond the scope of forgotten memory  
Just as simple and as strange as the sea becomes the tree  
There are people shouting clearly "I am you and you are me"

Oh, these times we share as this time will end  
To be sure it will not come again  
Just timeless myths, on her you can depend

It's a time to be humble, it's a time to be free  
It's a time to raise our voices loud and not go quietly  
Where the sky meets the shoreline and the mountains meet the sea  
I have music all around me bringing timeless melody

Diamond eye will not go quietly  
Diamond eye will not go quietly  
Diamond eye will, diamond eye will, diamond eye will not go quietly
