Say your prayers little one  
Don't forget my son  
To include everyone  
I tuck you in  
Warm within  
Keep you free from sin  
'Til the sandman he comes

Sleep with one eye open  
Gripping your pillow tight

Exit light  
Enter night  
Take my hand  
We're off to never never-land

Something's wrong, shut the light  
Heavy thoughts tonight  
And they aren't of snow white  
Dreams of war  
Dreams of lies  
Dreams of dragons fire  
And of things that will bite, yeah

Sleep with one eye open  
Grippin' your pillow tight

Exit light  
Enter night  
Take my hand  
We're off to never never-land

(Whisper)  
Now I lay me down to sleep (2x)  
Pray the lord my soul to keep (2x)  
And if I die before I wake (2x)  
Pray the lord my soul to take (2x)

Hush little baby don't say a word  
And never mind that noise you heard  
It's just the beast under your bed  
In your closet in your head

Exit light  
Enter night  
Grain of sand

Exit light  
Enter night  
Take my hand  
We're off to never never-land

We're off to never never-land

Take my hand  
We're off to never never-land  
Take my hand

We're off to never never-land

We're off to never never-land
