

# Saturday

Rebecca Black

(Oh my god, I love this song. This is my jam! Where is the peanut butter?)

2pm, getting out of my bed  
Tryin to get Friday out of my head  
It's all so hazy, got a little too crazy  
You know I'd do it all again

Call everyone you know  
turn up the radio  
'cause this is our song  
we can do no wrong  
Are you ready, are you ready to go?  
This saturday, we gon' party all night  
One we will remember for the rest of our lives  
This Saturday, we gon' do it bigger than, we ever had before  
I don't want this Saturday to end (3x)

(Brrpt, brrpt, "Hello?" "Hey, come over." "Alright, alright, I'll be right over, I just gotta find my...pants.")

Rollin' up in my new scene  
Want you here right next to me  
'cause this our night, ain't got no deadlines  
There's nowhere else I'd rather be

Call everyone you know  
Turn up the radio  
'cause this is our song  
We can do no wrong  
Are you ready, are you ready to go?  
This saturday, we gon' party all night  
One we will remember for the rest of our lives  
This saturday, we gon' do it bigger than, we ever had before  
I don't want this saturday to end (5x)

Yesterday was Friday, today is Saturday  
We gonna live like theres no tomorrow  
Wouldn't have it any other way
