

# Sing It

Rebecca Black

Woah-oh Woah-oh-oh-oh  
Woah-oh Woah-oh-oh-oh  
Woah-oh Woah-oh-oh-oh  
Woah-oh Woah-oh

That familiar voice  
It speaks to me  
Tells me everything is gonna be ok  
It's meant to, meant to be

Sun is out  
And the darkness fades  
Got my headphones on and I'm under  
In a dream but I'm wide awake

Woah-oh Woah-oh-oh-oh

Turn it up, turn it up  
Play it aloud  
Sing it from my heart  
Sing it from my heart, yeah, yeah, yeah, yeah  
It's alright, it's alright  
Alri-i-i-ight

Turn it up, turn it up  
I feel ya now  
Sing it from the heart  
Sing it from the heart, yeah, yeah, yeah, yeah  
It's alright, it's alright  
Be alright

On brighter days  
You make me smile  
When I've got you here with me  
I could walk a million, billion miles

I'm dreaming again  
So get outta my way  
Life goes fast, so you gotta make it last  
No matter what they say

Woah-oh Woah-oh-oh-oh

Turn it up, turn it up  
Play it aloud  
Sing it from my heart  
Sing it from my heart, yeah, yeah, yeah, yeah  
It's alright, it's alright  
Alri-i-i-ight

Turn it up, turn it up  
I feel you now  
Sing it from my heart  
Sing it from my heart, yeah, yeah, yeah, yeah  
It's alright, it's alright  
Be alright

Live it up, live it up, live it up, yeah!  
Live it up, live it up, live it up, yeah!  
Live it up, live it up, live it up, yeah!
