

A Cradle Prayer

Rebecca St. James

Jesus I love you my Lord my life
Where would I be without you
Here in the quiet, the still, the night
I am in awe of you

Trials may come and friends they may go
What really matters is you my Lord

Beautiful Savior my God, my friend
I am in awe of you
Lord I am in awe of you

Trials may come and friends they may go
What really matters is you my Lord

Jesus I love you my Lord my life
Where would I be without you
Here in the quiet, the still, the night
I am in awe of you

Why would you, Creator and King
Come as a baby for all, for me

Beautiful Savior, my God, my friend
I am in awe of you
I am in awe of you
