

The Rock Medley

Rebecca St. James

The power of God,
The power of God.

Chorus

The power of God is a mighty force,
That breaks the strength of the enemy,
The power of God is a mighty force,
That breaks the strength of the enemy.

His power is in us,
It's working for us,
Building strength within us,
Slashing down the plans of the enemy.

The power of God,
The power of God.

God didn't give me a spirit of fear,
But He gave me a spirit of power.
God didn't give me a spirit of fear,
But He gave me a spirit of power.
God didn't give me a spirit of fear,
But He gave me a spirit of power.
God didn't give me a spirit of fear,
But He gave me a spirit of power.

To fight the enemy,
Set the captives free,
So I can live in victory.
I'll stand to fight,
With all God's might,
Now turning darkness into light.

God didn't give me a spirit of fear,
But He gave me a spirit of power.
God didn't give me a spirit of fear,
But He gave me a spirit of power.
God didn't give me a spirit of fear,
But He gave me a spirit of power.
God didn't give me a spirit of fear,
But He gave me a spirit of power.
