

# You Hold Me Now

Rebecca St. James

One the day when i see  
All that you heve for me  
When i see you face to face  
There surrounded by your grace

All my tears swept away  
in the light of your embrace  
When your love is all i need  
and forever I am free

Where the streets are made of gold  
In your presence healed and whole  
Let the songs of heaven rise to you alone

No weeping, no hurt or pain  
No suffering, you hold me now  
Hold me now

No darkness, no sick or lame  
No holding, you hold me now  
Hold me now

In this life I will stand  
Through my joy and my pain  
Knowing there's a greater day  
There's a hope that never fails

Where you name is liffted high  
and forever praises rise  
For the glory of your name  
I'm believing for the day

Where the wars and violence cease  
All creating lives in peace  
Let the songs of heaven rise to you alone

No weeping, no hurt or pain  
No suffering, you hold me now  
Hold me now

No darkness, no sick or lame  
No holding, you hold me now  
Hold me now

For eternity, all my heart will give  
All the glory to your name  
For eternity, all my heart will give  
All the glory to your name

No weeping, no hurt or pain  
No suffering, you hold me now  
Hold me now

No darkness, no sick or lame  
No holding, you hold me now  
Hold me now

No weeping, no hurt or pain  
No suffering, you hold me now  
Hold me now

No darkness, no sick or lame  
No holding, you hold me now  
Hold me now
