

Rebel Meets Rebel

Rebel Meets Rebel

DAC: We raise a lot of hell and drink a lot of booze

DIME: Don't need a damn reason for the things we do

DAC: Exercise your freedom rowdy and loud

(pre-chorus)

Get down

Lets jam

All night

That's right

(Chorus)

REBEL MEETS REBEL

AND THAT MEANS TROUBLE

REBEL MEETS REBEL

DOUBLE TROUBLE

(bridge)

Rebel meets rebel

Man to man

Renegade singer

Outlaw band

REBEL MEETS REBEL

DAC: Play this record backwards there aint nothin' to hide

DIME: It's just a get together of country-metal minds

DAC: Could it be the future a sign of the times

Dime: When rebel meets rebel their partners in crime

(pre-chorus)

Get down

Lets jam

All night

That's right

(Chorus)

REBEL MEETS REBEL

AND THAT MEANS TROUBLE

REBEL MEETS REBEL

DOUBLE TROUBLE

When rebel meets rebel we've got our pride

Like ole Hank says it's been a long hard ride

REBEL MEETS REBEL
