

Thug Passion

Red Café

I got money and hoes, money and hoes,
School body gallon, low by the ows,
Birds by the fly, they don't do no flying,
They just go for pitching, I remember all rewind.
Wheels on dubs, limousine tittie,
Riding dirty on the interstates stash box city,
Down bitch love it, thug passion,
True elligit lawful, it's thug fashion.
I'm block jumping, flipping, olimpian,
Everything's straight right here, Indian.
Hold up, welcome to the future,
Where the bitches getting naked, 'cause them downers looking fusion.
Got a hundred in my pocket, feeling make another hundred,
Get a pack to my little homie, call him running.
If a nigga grind on, winning, checking numbers,
We can balls up on summer.

Nigga that's thug passion, dirty money on the couch,
Picking up stacks, a nigga work out,
Thug passion, you know I'm space trapped,
Fucking on a dime and she's fucking back.
That's thug passion, thug passion,

Look, I'm living sucker free, motherfucking G,
The bitch selling pussy, but she fuck me for free.
They call me a dime, I gotta agree,

My hustle game wicked any of the digits,
My life is a movie, you should buy a ticket.
Took Shawty a roof first, got her an entrée,
Now that girl dancing like Beyonce.

Pulling double shifts, nigga, long lasting,

Look how much a nigga hitting hoes set me so soon.

Make it quick, a nigga busy, got another caller.
Never been a sucker, never been broke,
Never gave a fuck, real niggas make a toast.
