3. Marry me girl be my fairy to the world
Be my very own constellation
A teenage bride with a baby inside
Getting high on information
And buy me a star on the boulevard
It's Californication

Am F (2x)

4. Space may be the final frontier
But it's made in a Hollywood basement

Cobain can you hear the spheres
Singing songs off station to station
And Alderon's not far away
It's Californication

Am F (2x)

*: Born and raised by those who praise
Control of population
Everybody's been there and
I don't mean on vacation

5. Destruction leads to a very rough road
But it also breeds creation
And earthquakes are to a girl's guitar
They're just another good vibration
And tidal waves couldn't save the world
From Californication

Am F (2x)

*: Pay your surgeon very well
To break the spell of aging
Sicker than the rest there is no test
But this is what you're craving
