So smart she's leading me to ozone  
Music the great communicator  
Use two sticks to make it in the nature

The gender of a generation  
The birth of every other nation  
Worth your weight the gold of meditation

All on a spaceship persevering  
Use my hands for everything but steering  
Can't stop the spirits when they need you  
Mop tops are happy when they feed you  
Jay butterfly is in the treetop  
Birds that blow the meaning into bebop  
R: The world I love...

6. Knocked out but boy you better come to  
Don't die you know the truth as some do  
Go write your message on the pavement  
Burn so bright I wonder what the wave meant  
Kick start the golden generator  
Sweet talk but don't intimidate her  
Can't stop the Gods from engineering  
Feel no need for any interfering

7. Your image in the dictionary  
This life is more than ordinary  
Can I get 2 maybe even 3 of these

This life is more than just a read-thru
