partner

E H C#mi A

Sometimes I feel like my only friend
is the City I live in the city of angels
Lonely as I am together we cry

2. I drive on her streets 'cause she's my companion
I walk through her hills 'cause she knows who I am
She sees my good deeds and she kisses me windy
I never worry now that is a lie

- R: I don't ever want to feel

H F#mi

Like I did that day
Take me to the place I love
Take me all the way
I don't ever want to feel
Like I did that day
Take me to the place I love
Take me all the way yea yea yea

3. It's hard to believe that there's nobody out there
It's hard to believe that I'm all alone
At least I have her love the city she loves me
Lonely as I am together we cry

- R: I don't ever want to feel...

- *: Under the bridge down-town

G6 Fmaj7

Is where I drew some blood
Under the bridge down-town
I could not get enough
Under the bridge down-town
Forgot about my love
Under the bridge down-town
I gave my life away...
yea yea yea - Away...
no no no no no yea yea - Away...
down-town I said yea yea - Away...
(rec.) will I stay
