Rock da spot Rock da spot Rock da spot I'm the bomb, ringin' off all types alarms My palms, be swift with the pen like Lynn Swann's Aggravated assault, against an MC Beat him down with the mic and all types of pedigrees It's mad real in Da Bricks, plus I roll thick You can quote this, I'm the Moby Dick of dopeness Bitch, walk the walk if you talk the talk I DK New Jerz, and DK-New York I don't push a lot of vehicles, but I push a used one With a tape deck, if it's feasible Tell the truth, I don't own a Lex Coupe But I get you souped when I rock respect due I'sa nice nigga that wanna get diced Slice the mic device like the body of Christ twice E Double if you feel me hit me once, a breaker one, a breaker two 'Cause trouble to you family and friends Let me cut the bullshit, just hand me yo ends Got caught out there 'cause you a Mack without 10 Punch you in your chin The rucker, bringer, live from Hell, but stay cooler than a double L Turn a felony to a misdemeanor Now the court subpeonaed me to get my act cleaner Fuck that, still walk out holdin' my strap Blunt, grabbin' my weiner When I'm gonna ... rock da spot Now first of all I go for broke, check the third quarter note I make you feel like your water broke Can't tell whether male or female I fucked up your frame well, the monogram can't tell All aboard my balls, 'cause my dick don't got a lot of room For the rest of y'all Grab on my pubics, let my music take flight Rock indo and out-do', dick run in and out yo' Bitch, about nine inch up the clit Can you feel me comin', yeah I usually make 'em shit I shines MC's up for auction So I can sell 'em on Saturday, Keith put the bat away Let's lay in the cut, so we can break his whole anatomy down And turn into an ass-kicking holiday Word, I rolls with the Funklord With more flavors than them motherfuckers on them Benetton billboards He's bleeding get the gauze

He shoulda knew Def Squad crew is who I kill for

Push the clip in, slide the top back

So I crack your ass like corn while your bitch crack my Beck's
When I'm gonna ... rock da spot
Rock da spot

Make sure it's off safety, in case he wanna counteract

Aiyyo, catch this picture, of me in the mixture So you won't forget the, black Jack the Ripper Sorceror offin' y'all with techniques A universal lingo, with the odd speaks Control more blacks than Harlem week, freak Smokin' that leak at full peak Peace to Greg Street, and underground radio technique College radio, no I mack shit like Maceo

Yeah, the East Coast West Coast dick giver
I oughta be an alkie, the way I hit liver
Deliver, the milk to your door, real raw
Shit you never seen before
So when you come inside, and do the front
Watch the double-pump shotgun and please don't run
Relax your minds, let your conscious be free
And get money, and G's and roll these trees

When I'm gonna ... rock da spot Rock da spot

Shit like that get me vexed

This is DJ Saywhat, on this motherfucker Comin' to you live from WFDS radio from da Brick City
