## **Rockin' Wit da Best**

(Yeah) One two, one two Party people in the place to be! Yeah, ha ha Let me clear my throat! Gilla House niggaz baby We gon' get a lil' somethin straight here in the place to be Geah... yo You now rockin with the best, I'm blessed I deliver well, that's why I'm up in the S UPS, through rain sleet or snow I never break down, my skin made of Goretex Heard Reggie went left, cause when I do right punk niggaz out of spite only give me a few mics Three best emcees, time for new light Let the streets decide on how nice! (Let's rock the house) You see to be an emcee is not money in the bank, or blowin niggaz off like "Homey we are late!" A million dollar boss dictatin what I think, shit His shooter's gettin real nervous in the paint Five star when I rank, like Le Armitage Girls lookin like Nicki Minaj, Reggie Hip-Hop I rock steady, just check my clout When Jersey in the building, I (rock the house!) Yo, you now rockin with the best, one of the best Best believe boy I look so FRESSSH! Just tellin you how I feel (We gon' get a lil' somethin straight here in the place to be) Heheh, hey, they asked me how I maintain The rap game and the streets I can picture in the same frame You ain't raw? You don't ball So lose yourself, tryin to keep UP when I change lanes My weed game green, clientele is swell It's Cool like LL

DeBarge look alike brother, time will reveal that I'm doin it, and doin it well! (Let's rock the house) Even if you read braille you can feel my swag I'm your seein eye dog with the pen and the pad Blue collar, when I talk, you can touch so FUCK how much money you can fit in the bag! My gift is the gab, the street's the truth They got a lil' lost when down South came through I stayed in the booth and began to trip cause (can't nobody rock like me, hah, remember this!)

Yo, what you consider the best, what you invest a half a mill' around your neck? Let me guess Punchlines after punchline for a check I did that, when GangStarr had to "Get a Rep" My city in debt, that's why I sound hongry My flow dumb as fuck like Al Bun-dy Ask Treach, I do it for my lonely All y'all come and get it if you want me (let's rock the house) Man, I'm a funny ass nigga And haters gon' say "He a funny ass nigga!"

## Redman

But I'm a asset, good barbershop talk The game without me is Wu-Tang without RZA Pour out a little liquor how I murder it Beef; my boys Fatburger it Gilla - never heard of it? Shut your mouth When Jersey in the building, I (rock the house!)
