Rend Collective Experiment

Praise Him in the morning, praise Him in the evening
Praise Him when you're smiling, praise Him when you're breaking
Praise Him in the sun and praise Him in the starlight
Praise Him every season, praise Him through the dark times

Celebrate, celebrate
Shout it from the mountaintops
Celebrate, celebrate
Even with a broken heart
Till dawn awakes, we'll sing Your praise, dancing in the dark
For all our days our song will say, "Lord how great You are!"

Praise Him with your hands and praise Him with your face down
Praise Him with the trumpet, praise Him with a loud sound
Heaven is a party, join the celebration

Come on everybody, time to start dancing!

Celebrate, celebrate
Shout it from the mountaintops
Celebrate, celebrate
Even with a broken heart
Till dawn awakes, we'll sing Your praise, dancing in the dark
For all our days our song will say, "Lord how great You are"

Sing it out loud, sing it out strong!

Celebrate, celebrate
Shout it from the mountaintops
Celebrate, celebrate
Even with a broken heart
Till dawn awakes, we'll sing Your praise, dancing in the dark
For all our days our song will say, "Lord how great You are"
