

Life Is Beautiful

Rend Collective Experiment

Painter of skies, maker of stars
Holder of seas and all our hearts
Artist of life, Father of lights
When I'm with You, my soul ignites
You see my sin but love me the same
Breathe on my hurt and raise me again
Up from the ash, up from the dust
You're recreating us

I will not waste this day You've made
I will be glad

Rejoice, rejoice
In the sunshine, in the sorrow
Oh, my soul rejoice

How can it be, You know my name
Tamer of storms who calms the waves
How can it be, I can't explain
Why You carry me and all my shame
You take my sin and all of the mess
As far as the east is from the west
Everything changed, I stand amazed
My every breath is grace

I will not waste this day You've made
I will be glad

Rejoice, rejoice
In the sunshine, in the sorrow
Oh, my soul rejoice
Rejoice, rejoice
In the trial, in the trouble
Oh, my soul rejoice

Life is beautiful, You are the colour
Life is wonderful, You are the wonder
Life is beautiful, You are the colour
Life is wonderful, You are the wonder
Life is beautiful...

Rejoice, rejoice
In the sunshine, in the sorrow
Oh, my soul rejoice
Rejoice, rejoice
In the trial, in the trouble
Oh, my soul rejoice...

My soul rejoice
