

# Never Weigh Me Down

Rend Collective Experiment

Jesus you are the anchor of my soul  
But you never weigh me down

Solid as rock and heavy on my heart  
But you never weigh me down

Faithful one  
How i'm counting on your loving kindness  
Heaven's sun  
How you shine and sweep away the shadows

You are a force, strong as gravity

But you never weigh me down  
I've carried my cross  
But you have carried me  
And you never weighed me down  
No, you never weighed me down

Shine on me  
Shine on me  
Shine on me  
Shine on me  
Heaven shine on me  
Heaven shine on me  
Won't you shine?
