

No Outsiders

Rend Collective Experiment

You're our refuge
You have no borders
When I was a stranger, knocking at Your door
You took me in
With no questions, and no conditions
When I was a sinner, running from Your grace
You called me friend
You called me friend

And there are no outsiders, to Your love
We are all welcome, there's grace enough
You are the open door, when I have wondered Lord
There are no outsiders
There are no outsiders
To Your love

You're the harbour
In every tempest
When my soul was shipwrecked
Tossed upon the waves
You were the shore
You are the Father
And there are no orphans
And every tribe and nation
Gathered in Your arms
Sings with one voice
Sings with one voice!

And there are no outsiders, to Your love
We are all welcome, there's grace enough
You are the open door, when I have wondered Lord
There are no outsiders
There are no outsiders
To Your love

Oh Lord
You are the refuge
I was tired, I was poor
I was thrown upon Your shores
I was homeless and afraid
'Til I heard You call my name
Now I'm ransomed, I'm restored
Resurrected, I am Yours
I am found, yes I belong
In You I find my home
I found my home!

And there are no outsiders, to Your love
We are all welcome, there's grace enough
You are the open door, when I have wondered Lord
There are no outsiders
There are no outsiders
To Your love...
