The Boy's On A Roll

Restless Heart

Top of the morning, sugarcoated days
The sun at my back, the wind in my face
Don't try to stop me
The boy's on a roll

Parking my troubles and riding the wave Leavin' 'em waiting to some other day Don't try to stop me The boy's on a roll

Livin' and lovin' one day at a time Catchin' a dream and makin' it mine Freedom is something you feel with your soul Don't try to stop me The boy's on a roll

Picking up people who don't understand Livin' their lives caught up in the plan Don't try to stop me (Don't try to stop me) The boy's on a roll

Where am I going I don't really care
My heart's gonna tell me when I'm finally there
Don't try to stop me (Don't try to stop me)
The boy's on a roll

Livin' and lovin' one day at a time Catchin' a dream and makin' it mine Freedom is something you feel with your soul Don't try, don't try to stop me The boy's on a roll

Livin' and lovin' one day at a time Catchin' a dream and makin' it mine Freedom is something you feel with your soul Don't try, don't try to stop me The boy's on a roll

Don't try to stop me (Don't try to stop me) The boy's on a roll

Don't try to stop me (Don't try to stop me) The boy's on a roll

Don't try to stop me (Don't try to stop me) The boy's on a roll
