

# Hold On To Happiness

Rhys Lewis

It was golden looking back  
Some kind of heaven in my hands  
For so long  
I was busy making plans  
Couldn't see the things I had  
'Till they are all gone  
Well so much has passed me by  
And I didn't realise

So try to your dying breath  
To hold on to happiness  
'Cause life's just a moment  
And one day it's over  
And it's cruel how the time can pass  
The deepest rivers moves so fast  
And life's just a moment  
So know when it's golden  
Hold on, hold on, hold on  
Hold on to happiness  
Hold on, hold on, hold on

Well I miss talking late at night  
Getting drunk on cheap red wine  
Yeah, we were so close  
So now I'm trying not to waste the untamed seconds of the day  
'Cause I know  
So much can pass you by  
You don't even realise

So try to your dying breath  
To hold on to happiness  
'Cause life's just a moment  
And one day it's over  
And it's cruel how the time can pass  
The deepest rivers moves so fast  
And life's just a moment  
So know when it's golden  
Hold on, hold on, hold on  
Hold on to happiness  
Hold on, hold on, hold on

Treasure it while it lasts  
'Cause you're never get it back  
Never get it back, no, no  
And regrets can hurt the most  
So when you got it  
Don't let go  
Don't let go

So try to your dying breath  
To hold on to happiness  
'Cause life's just a moment  
And one day it's over  
And it's cruel how the time can pass  
The deepest rivers moves so fast  
And life's just a moment  
So know when it's golden

Hold on, hold on, hold on  
Hold on to happiness  
Hold on, hold on, hold on  
Hold on to happiness

Hold on to happiness
