When Was The Last Time?

Rhys Lewis

Was I a fool for thinkin',
It's just a phase we're goin' through?
Ooh-ooh-ooh, ooh-ooh-ooh, ooh
'Cause lately somethin' missin'
It's like our hearts are out of tune
Ooh-ooh-ooh, ooh-ooh-ooh, ooh

You're fakin' a feelin'
I wish I believed it
When was the last time that you loved me?
Tell me the truth now
You're draggin' the pain out
'Cause when was the last time that you loved me?
'Cause you don't love me anymore

I know you're scared to break me
It always hurts to hurt someone
But you can't save me, there's no changin'
The height I'm fallin' from
When you're gone

You're fakin' a feelin'
I wish I believed it
When was the last time that you loved me?
Tell me the truth now
You're draggin' the pain out
'Cause when was the last time that you loved me?
'Cause you don't love me anymore

I'm beggin' you, cut me cold
Beggin' you, let me go
Don't make me stay
'Cause, girl, I can't sleep at night
Knowin' you're by my side but so far away
You're so far away

You're fakin' a feelin'
And I wish I believed it
When was the last time that you loved me?
Tell me the truth now
You're draggin' the pain out
When was the last time that you loved me?
'Cause you don't love me
You don't love me
No, you don't love me anymore
