

C'mon People (We're Making It Now)

Richard Ashcroft

F **G C**
Sometimes I feel like I can't move on

F **G C**
Nothing in life is turning me on

F
But I still see clearly
G C F
When I see you smiling

You know nothing seems to fit
I couldn't see my way through the shit
When every single second of my waking day

C
Was thinking of you

G
Thinking of you

F
You never know

C
That I am alive

G
I am alive

F
I wanna grow

C G F
There are so many things I can do

C G F
Just like falling in love with you

C G F C
Take my hand now, understand me

G
You can come here too

F G
C'mon people, we're making it now

C F C G
Yeah, yeah, yeah

But today I worked it out
I got something I can shout about
Someone who believes in all the things I'm thinking

But where have you gone
Where have you gone
I'll never know

And I am alive
I am alive
I wanna grow

There are so many things I can do
Just like falling in love with you
Take my hand now, understand me
You can come here too

C'mon people we're making it now
If only you could be with us
