

# Tonight The Streets Are Ours

Richard Hawley

Do you know why you've got feelings in your heart  
Don't let fear of feeling fool you  
What you see sets you apart  
And there's nothing here to bind you,  
It's no way for life to start

But do you know that  
Tonight - the streets are ours  
Tonight - the streets are ours  
And these lights in our hearts they tell no lies

Those people, they got nothing in their souls  
And they make our TVs blind us  
From our vision and our goals  
Oh the trigger of time it tricks you  
So you have no way to grow

But do you know that  
Tonight - the streets are ours  
Tonight - the streets are ours  
These lights in our hearts, they tell no lies

And no one else can haunt me  
The way that you can haunt me  
I need to know you want me  
I couldn't be without you  
And the light that shines around you  
No, nothing ever mattered more than not doubting  
But tonight the streets are ours

Do you know how to kill loneliness at last  
Oh there's so much there to heal dear  
And make tears things of the past

But do you know that  
Tonight - the streets are ours  
Tonight - the streets are ours  
These lights in our street are ours  
Tonight - the streets are ours  
And these lights in our hearts they tell no lies
