

# You Haunt Me

Richard Hawley

Faces  
In the fog  
Howl at the moon like a dog

And you  
You haunt me  
Oh you  
Haunt me

Cracks in the mirror  
On the wall  
Dust clings to light in the hall

And you  
You haunt me  
Oh you  
Haunt me

Silhouettes framed in smoke and blinding light  
My hands sweat and shake so much tonight

And you  
You haunt me  
Oh you  
Haunt me  
You haunt me
