

I Give You Praise

Richard Smallwood

You are all I need
And where You lead me I will follow
And with all my heart
I give You praise, oh
For life, for health, and strength
For giving peace
In midst of sorrow
I will mine eyes
And give You praise
Your love
That sent from above
Has changed my midnights
Into a thousand rainbows
For through You love
I found more strength
Than I've ever known
You are my dwelling place
My present help in time of trouble
Through the calm, through the storm
I give You praise

Lord, You are
My dwelling place
My present help
And for these things
I give You praise
For this, I give You praise!
