

(Can't You Hear) Zeus's Anger Roar

Richie Havens

From Olympus he is bound, he was chained to a mountain
For giving man the fire of wisdom and knowledge somehow.

{Refrain :}

Can't you hear his anger roar
Zeus's anger roar
Zeus's anger roar
Zeus's anger roar.

Then came a man born out of his dreams,
Just like you and me.

{Refrain}

Zeus was a god
He was the great god of them all
He came from Prometheus fire
Just to guard his animals life
Prometheus gave it to man,
Gave them the fire to understand.

{Refrain}

Then came a man born out of his dreams,
Just like you and me.

{Refrain}

[Repeats till fade]
Zeus's anger roar...
