Diced pineapple, Tonight you shall reach a height that the sky won't catch you The highest form of my admiration And I ain't no connoisseur but I'm kinda sure you will admire my taste But before the sun graze ya I'm tryin' to see how deep you are And believe me shorty I ain't talking about no intimate conversation I wanna see if I can make you reach things unobtainable When I peek into your nature And I promise you my goals will exceed any physical pleasure I wanna, give you what's better than better The better my effort, the wetter her treasure The more these mere moments seem like heavens or temporary forevers Shorty get it together Diced pineapple May your love come down so my mind might have you You designed my imagination Let me redefine foreplay so you need five and Tell me shorty you got it baby If it's not it baby, hope it's progress baby Let it all drip baby If you stop that shaking, no more talking baby, no more talking baby Shorty so fine, pussy so fresh Diced pineapples that my baby tastes the best I nearly lost my mind, guess it was a test Swept her off her feet and went and bought her ass a Lex Paid it off cash so I never wrote a check

Paid it off cash so I never wrote a check
Leave my cars at her crib I'm just stuntin' on her ex
Pussy's excellent and I know it sound a mess
I love to make her toes curl as I'm lickin' on her flesh uh
Sex all night couple shots of Ciroc
Crib on the water got LeBron up the block
Money ain't a thing, baby welcome to the Mark
Diced pineapples talking diamonds by the jar
Bitch so bad got me wishing I could sing her
Uniform Isabel Marant when you on the team
Double MG them other niggas fell off,
Baby girl I just wanna see you well off

Call me crazy shit at least you're calling
Feels better when you let it out don't it girl
Know it's easy to get caught up in the moment
When you say it cause you mad then you take it all back
Then we fuck all night til things get right
Then we fuck all night til things get right

Shorty so fine, pussy so fresh
Diced pineapples I just bought my girl a set
I know my lifestyle wild, I do it for the set
She know how to make me smile and she do it with the sex
Pop bottles, make love, thug passion, red bottoms, Moncler, high fashion
Belt buckles, door handles, gold plated, Balmain rich denim, out Vegas
French Riviera baby girl lets take a trip
I'ma trip go to Cannes France to catch a flick
Baby listen, this position is a blessing and with your permission
Hopefully you'll learn a lesson

I'm so fly that I shouldn't even walk.

She so fine she ain't even gotta talk

Diced pineapples talking diamonds by the jar

She never wrote a song but I know that she's a star

Call me crazy shit at least you're calling
Feels better when you let it out don't it girl
Know it's easy to get caught up in the moment
When you say it cause you mad then you take it all back
Then we fuck all night til things get right
Then we fuck all night til things get right

Something about her probably can't live without her Roll up some sour, let me kiss on a fountain Mission accomplished, you increasing your heart rate And I won't ever rest 'til we meet at the peak of your mountain Eager to show you, thinking that I should know you And you eager to work perfect, I can employ you Designer shit spoil you, rub you down with the oil To get on a higher tree, gonna have to climb a sequoia Hol' up, showing off some Agent provocateur Rushing you out your draws, though patiently get you off Hate when they get too anxious though, hate when they be too dull Like to get too deep but I hate to get too deeply involved How sweet is you, let me see some proof Fuck making pussy talk, I like to make it sing a tune All we need is we, we don't need no room Right now I'm trying eat, and we don't need a spoon

Call me crazy shit at least you're calling
Feels better when you let it out don't it girl
Know it's easy to get caught up in the moment
When you say it cause you mad then you take it all back
Then we fuck all night til things get right
Then we fuck all night til things get right
