

Just a Game

Rick Wakeman

Game
Oh it's just a game
Oh, oh just a game
It's just a game
It's all the same
No-one ever listen to me
It's just the same
It's all a game
No-one gives you nothing for free
It doesn't matter what I do
It doesn't matter what I say
If only I could read your mind
And you read mine
I'm just a pawn
A useless pawn
Easily taken for free
I'm in the way
Or so they say
But everybody's looking at me
I never get the right of rules
Even though I have to play
Because the game is played the same
Across the world
Game
Oh it's just a game
Oh, oh it's just a game
I've given up
Of looking up
As there's no-one up there looking at me
I'm sick and tired
Of being wired
To a life I didn't fancy for me
It doesn't matter who I am
It doesn't matter who you are
If I could only take your place
And you take mine
But may be you
Yes I mean you
Could play the game of life with me
And maybe you
Just me and you
Could change a thing or two for free
It doesn't matter how I live
It doesn't matter how I die
The game is played the same
Across the world
Game
Oh, it's just a game
Game oh, it's just a game
