

Only Daddy That'll Walk The Line

Ricky Skaggs

Everybody knows you've been steppin on my toes
And I'm gettin' pretty tired of it
You keep'a steppin out of line and'a messin' with my mind
If you had any sense you'd quit.

'Cause ever since you were a little bitty teeny girl
Said I was the only man in this whole world
Now you better do some thinkin' and then you'll find
You got the only daddy that'll walk the line.

I keep'a workin' everyday all you wanna do is play
I'm tired of stayin' out all night
I'm comin' unglued from your funny little moods
Now honey, baby that ain't right.

'Cause ever since you were a little bitty teeny girl
Said I was the only man in this whole world
Now you better do some thinkin' and then you'll find
You got the only daddy that'll walk the line.

You keep'a-packin' up my clothes nearly ev'rybody knows
That you're still just'a puttin' me on
When I start walkin' then I hear you start squawkin'
And a Beggin' me to come back home.

'Cause ever since you were a little bitty teen girl
Said I was the only man in this whole world
Now you better do some thinkin' and then you'll find
You got the only daddy that'll walk the line.

You got the only daddy that'll walk the line
