

Jamaica Jerk

Right Said Fred

Hey now hey now doing the Jerk Jamaica
Hey now hey now doing Jamaica Jerk

I love the summer
The sea and clear blue waters
Mother nature her sons
And all her daughters

Now if you've want a boogie
But you've got no plans
365-24-7
Join us on the sand

Hey now hey now doing the Jerk Jamaica
Hey now hey now doing Jamaica Jerk

I love the winter
Virgin snow is falling
Spring ain't so distant
And I hear summer calling

So if you've want a boogie
But you've got no plans
365-24-7

Join us on the sand

Hey now hey now doing the Jerk Jamaica
Hey now hey now doing Jamaica Jerk

Hey now hey now doing the Jerk Jamaica
Hey now hey now doing Jamaica Jerk

I love it, I love it getting make me go home
I promise I'll be there I am writing our phone

Oooh If you've want a boogie
But you've got no plans
365-24-7

Join us on the sand

Everything is hot and sunny
I want you to be my honey

Hey now hey now doing the Jerk Jamaica
Hey now hey now doing Jamaica Jerk

Hey now hey now doing the Jerk Jamaica
Hey now hey now doing Jamaica Jerk

Hey now hey now doing the Jerk Jamaica
Hey now hey now doing Jamaica Jerk

Hey now hey now doing the Jerk Jamaica
Hey now hey now doing Jamaica Jerk
