

This Be Called a Song

Ringo Starr

(Na-na-na, na-na-na
na-na-na, na-na-na, na-na-na)

Stand over me,
Look out for me,
Help me write this song for you.
If you split me,
Don't you take too long,
Just get thee gone.

This be called a song,
This be called a song,
This be called a song,
Song -.

Let your umbrella
Be your friend,
Pitch a tent in your mind for me.
It's all for you,
It's just the road that i need,
Behind it's just a sign.

This be called a song,
This be called a song,
This be called a song.

Na-na-na, na-na-na,
Na-na-na, na-na-na, na-na-na.

(na-na-na, na-na-na, na-na-na-)

It's getting closer every day,
And we got to see it through this time,
Is the time to find out if it's true,
What i've said to you.

This be called a song,
This be called a song,
This be called a song,
This be called a song.

This be called a song, (ooh, ooh, ooh)
This be called a song, (ooh, ooh, ooh)
This be called a song, (oh, oh, oh)
This be called a song. (oh, oh, oh)

This be called a song, (ooh, ooh, ooh)
This be called a song.
