

# Angels

Robbie Williams

**G**

1. I sit and wait.

**C**

**Emi D**

Does an angel contemplate my fate

**G**

And do they know the places where we go

**Hsus2**

**Emi D**

when we're grey and old.

**C**

Cuz I have been told that salvation

**Hsus2 G**

**Emi**

lets their wings unfold.

**F**

So when I'm lying in my bed,

**C**

thoughts running through my head,

**G**

and I feel that love is dead.

**F**

**G**

I'm loving angels instead.

**D**

**Emi**

R: And through it all she offers me protection,

**C**

**G**

a lot of love and affection, whether I'm right or wrong.

**D**

**Emi**

And down the waterfall wherever it may take me,

**C**

I know that life won't break me.

**G**

**Ami**

When I come to call, she won't forsake me.

**F**

**C**

**G**

I'm loving angels instead.

2. When I'm feeling weak

and my pain walks down a one way street,

I look above and I know

I'll always be blessed with love.

And as the feeling grows she breathes flesh

to my bones and when love is dead,

I'm loving angels instead.

R: And through it all... (2x)
