Better Man

Robbie Williams

```
                         G
1. Send someone to love me
              Emi
   I need to rest in arms
             C
   Keep me safe from harm
                 D
   In pouring rain

   Give me endless summer
   Lord I fear the cold
   Feel I'm getting old
   Before my time

         Emi               D
R: As my soul heals the shame
        G                 Emi
   I will grow through this pain
              C           D
   Lord I'm doing all I can
   To be a better man

2. Go easy on my conscience
   'Cause it's not my fault
   I know I've been taught
   To take the blame

   Rest assured my angels
   Will catch my tears
   Walk me out of here
   I'm in pain

R: As my soul heals...

   B
*: Once you've found that lover
          Gmi
   You're homeward bound
           Dmi
   Love is all around
          Gmi
   Love is all around

   B
   I know some have fallen
     Gmi
   On stony ground
                 Ami       D
   But Love is all around

3. Send someone to love me
   I need to rest in arms
   Keep me safe from harm
   In pouring rain

   Give me endless summer
   Lord I fear the cold
```

     Feel I'm getting old
     Before my time
