

# Eternity

Robbie Williams

Close your eyes so you don't feel them  
They don't need to see you cry  
I can't promise I will heal you  
But if you want to I will try  
To sing this summer serenade  
The past is done we've been betrayed  
It's true  
Some might say the truth will out  
I believe without a doubt in you  
You were there for summer dreaming  
And you gave me what I need  
And I hope you find your freedom  
For eternity, for eternity  
Yesterday when we were walking  
You talked about your mum and dad  
What they did that made you happy  
What they did that made you sad  
We sat and watched the sun go down  
Then picked a star before we lost the moon  
Youth is wasted on the young  
Before you know it's come and gone too soon  
You were there for summer dreaming  
And you gave me what I need  
And I hope you find your freedom  
For eternity  
For eternity  
You were there for summer dreaming  
And you are a friend indeed  
And I hope you find your freedom  
Eventually
