Robbie Williams

**C** **F**  
1. Don't let your eyes tell the brain  
**C**  
You should feel ashamed  
**F**  
Everyone needs it baby  
**C**  
And I feel the same  
**F**  
Didn't quite catch your name  
**C** **F**  
Hush, hush, hush don't say a thing  
**C**  
Lets see what the night will bring  
**F**  
It might be everything  
  
**G** **C** **F**  
Oh it hurts when you're too blind to see  
**Dmi** **G** **Dmi** **G**  
Please don't read my mind I tell the truth to me

**C**  
R: Sin sin sin  
**F**  
Look where we've been  
**Dmi** **G**  
And where we are tonight  
**C**  
Hate the sin not the sinner  
**F** **Dmi**  
I'm just after a glimmer of love  
**G** **C**  
and life deep inside

**C**  
2. Hush hush hush  
**F**  
To speak is a sin  
**C** **F**  
And neither of us need rescuing  
**C**  
Just relax  
**F**  
It's what Jesus would do  
**C**  
We're made in his image baby  
**F**  
Let's ride this thing through  
  
**G** **C** **F**  
Oh it hurts when you're too blind to see  
**Dmi** **G** **Dmi** **G**
