## Strong

## **Robbie Williams**

My breath smells of a thousand fags And when Im drunk I dance like me dad Ive started to dress a bit like him

Early morning when I wake up I look like kiss but without the make up And thats a good line to take it to The bridge

And you know and you know Cos my lifes a mess And Im trying to grow so before Im old Ill confess You think that Im strong youre wrong Youre wrong Ill sing my song my song my song

My beds full of takeaways and fantasies Of easy lays The pause buttons broke on my video And is this real cos I feel fake Oprah winfrey ricki lake Teach me things I dont need to know

And you know and you know Cos my lifes a mess And its starting to show so before Im old Ill confess You think that Im strong youre wrong Youre wrong Ill sing my song my song my song

If I did it all again Id be a nun The rain was never cold when I was young Im still young were still young Lifes too short to be afraid Step inside the sun

And you know and you know Cos my lifes a mess And Im trying to grow

And you know and you know Cos my lifes a mess And Im trying to grow

And you know and you know Cos my lifes a mess And Im trying to grow

You think that Im strong youre wrong Youre wrong Ill sing my song my song my song

You think that Im strong youre wrong Youre wrong Ill sing my song my song my song Lifes too short to be afraid So take a pill to numb the pain You dont have to take the blame

Lifes too short to be afraid So take a pill to numb the pain You dont have to take the blame

Lifes too short to be afraid So take a pill to numb the pain You dont have to take the blame
