

# Don't Be Afraid Of The Dark

Robert Cray

Dead of the night baby  
We're finally alone  
I'll pull up the shades  
If you'll unplug the phone

Put on some music  
Marvin Gaye's real nice  
Once we get settled  
I'll turn off the lights

Don't be afraid of the dark  
Don't be afraid of the dark  
I'll be there to hold you  
Don't be afraid of the dark

It might be scary  
Til your eyes adjust  
Don't fear the shadows  
Me you can trust

I'm at my best  
In a pitch black room  
Hold on tight baby  
You'll feel the power soon

Don't be afraid of the dark  
Don't be afraid of the dark  
I'll be there to hold you  
Don't be afraid of the dark  
I'll be there to hold you  
Don't be afraid of the dark

You might tremble  
You might shake  
Scream out loud  
You may even pray

I know which moves  
Suit you right  
You'll beg for more  
You'll forget about the night

Don't be afraid of the dark  
Baby, no, no  
I'll be there to hold you  
Don't be afraid of the dark  
I'll be there to hold you  
Don't be afraid of the dark  
Don't be afraid of the dark  
Baby, no, no  
I'll be there to hold you  
Don't be afraid of the dark  
I'll be there to hold you  
Don't be afraid of the dark  
Hey, baby, no, no, no  
I'll be there to hold you  
Don't be afraid of the dark
