

# I Can't Quit

Robert Cray

I can't quit lovin' you  
I can't quit, darling  
I'm hypnotized by the things that you do

You lift me up when I'm feeling down  
Make me forget why I'm blue  
There's no need to wake me up now, baby  
I belong to you

I can't quit lovin' you  
I can't quit, darling  
I'm mystified by the way that you do

All my life I've been looking  
But always in vain  
Now all of that's changed, baby  
Since I have you, since I have you

Oh, I'm not lying  
I've been trying to feel as good as I do  
Daytime, midnight and morning  
I wouldn't be alive without you

I can't quit lovin' you  
Not gonna quit ya, darling  
I'm paralyzed by the things that you do

All my life I've been lookin'  
But always in vain  
Now all of that's changed, baby  
Now that I have you  
All of that has changed, baby  
Now that I have your love

There's no need to wake me up  
No, no, no, no  
No, no, never gonna give you up  
No, I can't do it  
No, I can't quit  
Never gonna give you up  
No, no, no, no
