

# Lion's Den

Robert Cray

Well I like what I like and what I like I found it all in this  
girl  
Well I like what I like and what I like I found it all in this  
girl  
She have the quickness of a tractor y'all  
She's my little devil girl

Well, I'm only happy when I'm sleepin' in that lion's den  
Well, I'm only happy when I'm sleepin' in that lion's den  
But she put that good thing on me  
Keep me comin' back to get some more again

Well she put that good thing on me  
And I always want some mo'  
Where this thing gonna end up  
I don't know

Cause I'm only happy when I'm sleepin' in that lion's den  
But she put that good thing on me  
Keep me goin' back to get some more again

Yeahhhhhhhh, she got some good ole' lovin'

Man that ain't no lie  
She don't let me in  
I'm gonna cry

Cause I'm only happy when I'm sleepin' in that lion's den  
But she put that good thing on me  
Keep me goin' back to get some more again
