

Baby I Love You So

Roberta Flack

Hey, hey, hey
Baby I love your way
Oh, oh, oh
Baby I love you so

Baby I go news
I got something to say
How could you refuse
When you know I want you to stay

So you go on a holiday
And you wanna leave me standing all alone
Go on a celebration
I'm out here on my own

Hey, hey, hey
Baby I love your way
Oh, oh, oh
Baby I love you so

Baby it's a shame
Can you really blame
Feeling all the pain
When you know it's a losing game

Feel the love I have inside
Everyday you are by my side
Every promise that you break
It's a song that makes us say

Hey, hey, hey
Baby I love your way
Oh, oh, oh
Baby I love you so
