

# Inseparable

Robin Gibb

Oh ooh oh I oh baby  
I say, you know  
I'm only human,  
But I couldn't let go,  
If you don't care.

I was swallowed by an ocean of emotion  
That was new to me to meet my prayers.

We are inseparable.  
No voice in life can come between  
Two souls live on as one for ever.

We are invincible.  
This time a soul lives in a soul.  
You'll never stand alone for ever.

I say you never look back and you never give in,  
But I see dark before the dawn.

I say glad you never saw when tomorrow we can both begin,  
Baby, I'm sorry for...  
Oh.

We are inseparable.  
No voice in life come between  
Two souls live on as one for ever.

We are invincible.  
This time a soul lives in a soul.  
You'll never stand alone for ever.  
Oh no.

Inseparable, for ever.  
Inseparable, for ever.  
Don't go, oh no.  
No, oh girl.  
Yeah, yeah.

Baby, you know, you know.  
No, girl.  
Yeah, yeah, yeah.

We are inseparable.  
No voice in life can come between  
Two souls live on as one for ever.

We are invincible.  
This time a soul lives in a soul.  
You'll never stand alone for ever.

We are inseparable.  
No voice in life can come between  
Two souls live on as one for ever.

We are invincible.  
This time a soul lives in a soul.

You'll never stand alone for ever.  
We are inseparable.
