

Instant Love

Robin Gibb

Did anybody tell you to never be afraid
Your body might surrender, the heart of my true save
'Cause I am here to tell you the secret of a dream
'Cause you were there for me when I was down
You were there for me when I was down, when I was down

Na, na, na, na, na, na
All I want is instant love
Na, na, na, na, na, na
All I want is instant love
'Cause have my list, it doesn't exist
It's hard to counsel, but do you believe
Na, na, na, na, na, na
All I want is instant love

And now I stand before you
The patience of a saint
And how these eyes adored you
The time that no pass
'Cause I was there for you when you were down
'Cause I was there for you when you were down
'Cause I was there for you when you were down
I was there for you when you were down,
when you were down

Na, na, na, na, na, na
All I want is instant love

Na, na, na, na, na, na
All I want is instant love
'Cause have my list, it doesn't exist
It's hard to counsel, but do you believe
Na, na, na, na, na, na
All I want is instant love

No need to wait to know me
All my life I know you all these years
For I sacrificed
I love you through my tears

Na, na, na, na, na, na
All I want is instant love
Na, na, na, na, na, na
All I want is instant love
Na, na, na, na, na, na
All I want is instant love
Na, na, na, na na na
All I want is instant love

Na, na, na, na, na, na
I don't know the instant love
Na, na, na, na, na na
All I want is instant love
Na, na, na, na, na, na
All I want is instant love
'Cause have my list, it doesn't exist
It's hard to counsel, but do you believe

Na, na, na, na, na, na

All I want is instant love

All I want is instant love
