

Be Exalted

Robin Mark

Be exalted, Lord let Your name be exalted on high
Hearts and voices, gathered in unity focus our eyes
On Your glory, come in Your Spirit with power and might
Let that power, flow through this nation and let there be
light.

You are King of all kings
There is no-one like You
Why should darkness remain
Where our God is proclaimed
Come in Your power
The gates of this hell
At Jesus' name they will never prevail
