

# Hallelujah

Robin Mark

You ride on a white horse scepter in hand  
Jesus You're a warrior holy son of Man  
Your eyes blaze like fire crowns upon Your head  
You are the Word of God the begining and the end

Hallelujah our Lord Almighty reigns  
Jesus Christ our Savior reigns  
Hallelujah our Lord Almighty reigns  
Our Lord our King our God

Son of the highest faithful and true  
Lion of Judah there is no other like You  
King of the ages bright and morning star  
Wonderful counselor all of life is in Your charge
