

Highly Exalted

Robin Mark

You were despised
u were rejected Lord
those who passed by
even averted their gaze from ur sight
such was the suffering u bore for us

led like a lamb, lamb to the slaughter
u spoke not a word
chose to be silent Lord
u did no wrong
nor was deceitfullness found in u
yet by ur wounds our salvation has come
yet by ur suffering our freedom is won

for God has higly exalted ur name
he has enthroned u on high
Jesus the name above all names (X2)
