

## When You Restored

Robin Mark

When You restored us Lord  
When You restored us Lord

We were like those who dream  
Touched by Your sacrificial love  
Washed in Your healing stream  
Now let our praises soar  
High on Your Spirit's wings  
That all the nations may declare  
Our God has done great things

And may Your name Lord, be lifted high,  
Above all other names.  
And may Your name Lord, be lifted high,  
Above all other names.
