

## Within the Veil

Robin Mark

Lord Jesus may Your Spirit come  
And make this a holy place  
For we have longed to gaze  
Upon the glory of Your face.  
Then every selfish will exposed,  
And every vain desire  
Are humbled and then purified,  
By Your holy, holy fire.  
O Lamb of God, the glory of Your name  
Perfect in holiness, and purest love  
And in that love, we'll walk beyond the veil  
Again to understand, what You have done.
