

# Glass Hotel

Robyn Hitchcock

Seems like you were in a glass hotel  
seems like, seems like  
seems like there was someone else as well  
seems like, it seems  
seems like you were in your glass hotel  
seems like, seems like  
it seems like everything was going well  
it seems like a dream  
well the radio was playing  
in the darkness of the hall  
there was someone standing with you  
who just wasn't there at all  
and you were laughing  
well the telephone was ringing  
in a corridor of blue  
a geranium came out of it  
reminded me of you  
and i was crying  
seems like you were in a glass hotel  
seems like, it seems like  
seems like there was someone else as well  
it seems like, it seems  
well there's nothing in the future  
and there's nothing in the past  
there is only this one moment  
and you've got to make it last  
and you were laughing in a glass hotel
