

# Knife

Robyn Hitchcock

Here is a knife  
Here is a pointy daggery knife  
Here is a knife  
And it's pointing to you  
Here is a life  
Here is a tender trembling life  
Herre is a life  
And it's quivering under you  
Here is a dream  
Here is a sweet and terrible dream  
Here is a dream  
And we're in the middle of it  
Oh come off it-not again-  
do we have to go through all of this again?  
All of this again  
Here is a knife  
Here is a pointy daggery knife  
Here is a knife  
And it's pointing to you
